

Borger ISD will have 2 learning options for students for the 2020-2021 School Year:

OPTION 1: Full-time, face-to-face instruction on campus with increased hygiene and disinfection protocols

OPTION 2: Remote instruction at home using a district device, if needed, or a personal device

Remote school is a fluid option. At the beginning of the school year there will be a 2-week grace period. Families will be able to make one change to their learning option up until August 28th. After the grace period, once the remote or in person option is chosen, the student must remain with that option until the end of that six-week grading period.

If a student is assigned to remote learning due to illness, he/she may return to face-to-face instruction when wellness criteria are met. Please contact the school nurse or principal.

Remote learning will be significantly different than during the Spring 2020 Covid-19 Closure.

- ❖ Learning will be primarily self-paced through Google Classroom with some periodic live interaction with teachers required.
- ❖ Daily engagement, as per the teacher's assignments, will be required for daily attendance.
- ❖ Engagement, although self-paced, will be equivalent to direct content work that a student would be engaged in over a normal school year.
 - PK-5th grade – 180 minutes (3 hours)
 - 6th -12th grade – 240 minutes (4 hours)
- ❖ Students will be required to complete all activities, assignments, quizzes, and tests the same as face-to-face students. Details on quiz and test administration is being developed.
- ❖ Teachers will be available for student support.
- ❖ Feedback will be provided at least weekly.
- ❖ Grading policies will be consistent with those used before COVID for on campus assignments.

All parents will be required to choose either remote or in-person on campus instruction. Applications will become available August 3rd online and through the mail and email. Parents will be asked to make a firm commitment to remote or in person instruction for schools to staff accordingly.

Forms should be returned to the campus in person or through mail. FORMS ARE DUE AUGUST 7th.
