- Borger High School had a special guest at the PINK OUT pep rally. 2019 Borger High Graduate Lance Corporal Alex Velasquez of the United States Marine Corp and his family were honored. Lance Corporal Velasquez just returned from Afghanistan where he was a part of the largest evacuation in US History. He helped evacuate 117,000 people safely out of Afghanistan. We are proud of him, and we thank Lance Corporal Velasquez for his service. We would also like to remember the families of the 13 soldiers including a close friend of Lance Corporal Velasquez's who died in a bombing in Afghanistan. Lance Corporal Alex Velasquez was an honorary team captain at that night's football game against Seminole. A moment of silence was also observed at the pep rally for the families, friends and community members from Pampa and White Deer of the 3 young men who lost their lives in a car accident.

- Karla Florer, the Florer family and relatives generously donated \$6,500 in remembrance of Jarrod Florer, Dale Florer, Kathy Thompson, Karl V. Karlin and Mary Ann Garcia to be spent on books for the Gateway/Crockett Library. All were avid readers, and their legacy will live on through the pages of 2,302 books that have been purchased through their donations which began 14 years ago. This year not only will many additional library books be purchased, but the Florer Family has also graciously agreed to fund next year's Battle of the Books program! Borger ISD is very appreciative of the Florer Family and their continued support of our Bulldog Readers! We know these books have and will continue to inspire many students.

- Linzey Torres finished 7th at the District 4-4A Cross Country meet & qualified for regionals! Linzey went on to finish 23rd overall at the Region 1 CC meet in Lubbock!! Linzey is the daughter of our own Tommy and Jennifer Torres.

- Recently, Borger High School was blessed to have had a wonderful couple, Bradley and Karen Cunningham, donate a plaque to commemorate every Borger High School graduate that has earned the prestigious rank of Eagle Scout. The Cunningham's recently relocated from another high school that honors their Eagle Scout graduates with a plaque with their names and graduation years listed. Last year, the couple approached the BHS administration with the idea to honor our hometown Eagle Scouts in the same way. Over the course of the last year, many hours of research went into this project. We look forward to adding more names in the future!

- Borger Middle School had 25 students compete at the Middle School All-Region Choir auditions on October 16th. The following 16 students made the All-Region Choir and will represent BMS at our Region Clinic and Concert on October 23rd.

- This month the Borger High School Class of 1960 held their reunion. Mr. Ammerman was honored to be able to give them a tour of the high school. The class had a great time touring the newly renovated high school and shared many stories of their high school years at Borger High.

- Mrs. Conaway would like to thank the Borger High School Class of 1976 for taking a tour of the high school. This group of BHS alumni were incredibly fun and truly appreciated getting to see their high school. They asked a lot of great questions and visited every area of the newly renovated building. They loved the media center, the culinary classroom and were impressed with the new freshman center. This group's love of Borger High School was evident as they shared great memories of their high school days.

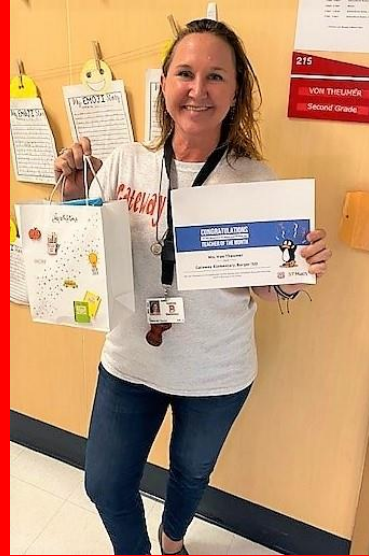

- Mrs. Lasater was the ST Math Teacher of the Month for October at Gateway Elementary! Mrs. Lasater's first-grade class has solved the most problems so far this year at 6,745 puzzles and also has the highest average progress at 12%! Congratulations to Mrs. Lasater and her mathematicians! Thank you to Phillips 66! This program was made possible through their generous donation!
- On Saturday, October 16th, the Mighty Bulldog Band of Borger High represented Borger ISD and Borger High School at the UIL Region 1 Marching Band Contest. This contest was held at Dick Bivins Stadium in Amarillo. The Mighty Bulldog Marching Band performed their show for a panel of three judges. The band's show was entitled "Anchors Aweigh! A Day in the Life". The band received a rating of Division 2, or Excellent. All three judges were impressed with the show's design, but intonation and marching fundamentals prevented the band from receiving the highest rating. The band will continue to support the Borger Bulldog varsity football team at their remaining games, then prepare for their annual Christmas concert. Members of the band also have All-Region band auditions, solo and ensemble, concert and sight-reading contests, as well as various spring concerts and performances, to prepare for. The band would like to thank the administration of Borger ISD, Borger High School, the band boosters and their parents, and the community of Borger for the support that has been shown for them this marching season.
- Anthony's Floor Care- Fernandez Family, Hipshots- Phares Family and ChemWerth- Peter J. Werth made a donation to the Bulldog Basketball program which allowed the purchase of the Dr. Dish Shooting Machine.
- Christi Hinson, a Borger High School graduate, is now a librarian in Frenship ISD. She serves at the state level on the Texas Bluebonnet Committee. Publishers send committee members thousands of books to review, and they get to keep all the books they are sent. They may add these books to their own library collection, or they may donate them to another library. Christi very generously donated a large amount of these books to the Crockett/Gateway library. We are extremely grateful for this very generous donation!
- BISD and BHS would like to thank Solvay for donating \$5,000 to Borger High School's college dual credit program. Borger High School currently has 271 students taking 713 college classes, which is a record number for BHS. Solvay wanted to award these students scholarships to help with the cost of tuition. These scholarships combined with our district paying for two college classes per student per semester help students pursue their passion. We truly appreciate the continued support of Solvay in making our students' college dreams come true.
- Borger High School students visited the other campuses for Red Ribbon Day! They also hosted a Trunk or Treat in the BHS parking lot for the community which was very successful!
- Crockett Elementary had a poster contest with Anti--bullying or Red Ribbon Anti-Drug messages. Students and teachers voted on the posters. There were many creative posters with positive messages. Thank you, Happy State Bank, for providing the prizes and supporting our Bulldogs!!

Teacher vote winners were Eyan Lara for Bully Prevention and Hagen Roller for Drug-Free. They each won a \$10 scratchpad from Happy State Bank.

Kids Choice winners were Joslynn Mendez for Bully Prevention and Avery Speed for Drug-Free. They each won a \$5 Sonic Card also provided by Happy State Bank.
