- Borger High School recently competed in the 4A Region 1 Academic Meet against Canyon, Dumas, Hereford, Pampa, and Perryton. In this 6-team district, Borger placed 2nd with 414 points overall. The Bulldog science, math, accounting, calculator, and computer science teams all placed first in the district and advanced to regionals along with several individual Bulldog competitors. BISD and BHS are proud of these outstanding students and coaches!!
- Last week, the Borger Middle School choirs competed at UIL Concert and Sight-Reading Contest. Three choirs went to compete, and their ratings are as follows:
 - Varsity Tenor/Bass Choir - 1 (superior) on stage and 2 (excellent) in sight-reading
 - Varsity Treble Choir - 1 (superior) on stage and 2 (excellent) in sight-reading
 - Varsity Mixed Choir - 1 (superior) on stage and 1 (superior) on sight-readingWe are so proud of the BMS choirs! It was a great day! Special thanks to Melanie Sharp for accompanying us, Anthony Vickery for all his work, the BMS administrators and staff for all their support and encouragement, and the many families and community members that help and support us! Excellent job BMS Choir and their director, Holly Johnston.
- Crockett Elementary 4th-grader Nicole Sanchez won a Sonic card for the March Saving Prize from Happy Kids Bank!
- Ben Madden advanced to the Regional Tennis Tournament after beating Hereford for 3rd place and then beating Canyon in the playback match!! Geraldine and Ivett Medina place 3rd at the District Tennis Tournament and missed going to Regionals by two games! Ben Madden lost a heartbreaker to the top seed Jackson Hill from Argyle in the 2nd round in the Regional Tournament. Hill went on to win the regional championship.
- The Borger Middle School Robotics Team, the Boomtown Bots, competed at state in Austin at the TCEA (Texas Computer Education Association) Competition. Teams had to collaborate with teams from other schools to pick up pieces with their robot to build widgets to earn points. No coaching was allowed, so students were on their own. Out of 60 teams, the BMS team earned 13th place! Congratulations Bulldogs and their instructor, Mr. Line!! Thank you, Phillips 66, for your help in expanding the BMS Robotics Program!! The team consists of Cooper Jennings, Will Line, Lili Ramos, and Julius Rivera.
- In observance of National Child Abuse Awareness Month, the National Junior Honor Society from Borger Middle School helped the Rainbow Room put pinwheels at Borger Bank to represent children of child abuse. Students also heard from Carrie Burlison about the services Rainbow Room provides.

- This past month, Gateway students have been reading books for the March Book Madness. Classes read two to four books each week and then voted on their favorite. I Need My Monster by Amanda Noll was the winner.
- Fifth-grade PEAK students had a shark tank competition where they had to develop an idea or product, develop a prototype, produce a profit analysis, and a marketing plan. They then presented their product information to the "sharks" to try to convince them to invest in their idea. The winners of the competition were: 1st place- Kahlyn Cole, Jordyn Hawley, and Lanie Buchanan with the GINGIE. 2nd place- Bryson Calder and Rhys Henderson with the Dunk-An-Oreo.
- The Borger High School choir performed at the Region 1 UIL Concert and Sightreading evaluation. The students received an "Excellent" rating on stage and all "Superior" rating in the sight-reading room! BHS Choir Director Anthony Vickery stated, "This was a culmination of fantastic work on the part of our students. This choir has put in an immense amount of work to reach this point. They represented that hard work well on the stage and in the sight-reading room. I am incredibly proud of this team and of these students. They performed with great artistry and have set a high standard for the future of the BISD Choral!"
- Eddie Eagle gave a presentation about gun safety to kindergarten through 2nd graders.
- Kindergartners took a tour of Gateway Elementary in preparation for next year!
- Fifth-grade scholars went to the Panhandle-Plains Historical Museum in Canyon for engaging, hands-on activities!! Students participated in activities in the museum's brand-new STEAM lab and had time to explore the museum.
- Congratulations to these Bulldog Student-Athletes for making the press pass sports honor roll!
 - Jaden Daniels
 - Hope Gray
 - Nathan Orcutt
- Ms. Cole is this month's Phillips66 ST Math teacher of the month. Her class has been working hard at completing their puzzles.
- The first Future Lady Bulldog Night was a great success! Girls from Pre-K through 8th grade came out to participate. Our Lady Bulldogs loved getting to meet them and take pictures with them as well as sign softballs for them.
- Gateway and Crockett Elementary held their last perfect attendance assembly of the year! We would like to thank the Borger Rotary Club and Walmart for sponsoring this program. Winning a bicycle and helmet were Cody Bennett, Genesis Rodriguez, Lia Manjarrez Hernandez and Taytum Mitchell.
- Twenty-four BMS athletes competed in 3 divisions at the Rebel Tennis Center Middle School Tournament. Jaycee McKinney and MacKenzie Carlock won the Division A, Girls Doubles Consolation Championship over Loryn Escobar and Bryn Hayes. Three Girls Doubles teams made the C Division Consolation semifinals with Iryanna Porras and Seighlyr Lerman losing the finals match 7-9. Everybody else played great and earned some valuable playing time.
- Grace Goldston competed in 4A Regional Golf Tournament on April 20th-21st. She ended up in the top 10 medalists and as the best finisher in our district. Coach Vinson stated, "Grace has represented Borger well all 4 years! She will continue her education at TCU and looks forward to playing golf as a hobby!"
- Special "Thank You" to the Hutchinson County Library Staff, the Borger Fire Department, and Sparky! Our Little Bulldog Kindergartners went to visit the Hutchinson County Library and listened to the librarians and some firefighters read books.
- Gateway Families had a fun-filled evening of storytelling with author Gary Hogg to celebrate reading and writing.
