

Tell me something good!

- Five of the best Art 1 students at Borger High School attended the annual Texas Panhandle Art Education Association High School Art Conference! Each student attended two hands-on art workshops that included: glass blowing, indigo dyeing, creating facial features from clay, gelli plate printing, and faux lithography. Keynote speakers were artists from the Amarillo area, including, Clayton and Sara Spaulding of Blind Bird Designs. Each student walked away with a piece of artwork that they personally created from the instruction of WTAMU and Amarillo College art instructors! Borger High School was one of the only small school districts represented at the huge event that included over 500 art students from Canyon and Amarillo! Seeing the smiles on the faces of these art students as they created art with some of the best artists in our area was incredible! BHS artists attending the conference included: Brenna Bugg, Liberty Keeney, Shelby Redd, Andrea Rey, and Kamo Vargas.
- The following athletes competed at the Regional Track Meet in Lubbock.
 - Nathan Orcutt placed 2nd in the wheelchair shot put.
 - Hope Gray placed 3rd in the shot put and 4th in the discus.
 - Julia Stevens placed 5th in the 300 Hurdles.
 - Nathan Orcutt went on to compete at the state level and fished 8th in State! Nathan is the son of Mrs. Orcutt (BIS).
- Thank you to Ricky Davis and the crew at Pak-a-Sak for graciously donating 160 drinks to the Borger ISD Elementary staff for teacher appreciation week!! Also, we want to thank our awesome PTO for filling the drink orders and delivering them to campuses!!
- After a two-year hiatus, Phillips 66 is again sponsoring two Borger High School students that will attend the West Texas A & M Engineering Camp in June. The two students that will be able to attend are Michaela Horst and Leif Nelson. This is just one example of the many ways that Phillips 66 partners with Borger High School. Phillips 66 also sends 21 engineers to BHS every week to mentor students that have struggled with math, specifically Algebra. Because of this close tie, BHS has seen a dramatic increase in students that are interested in a career in engineering and graduates that are majoring in the engineering field in college. Local partnerships are important to the success of Borger High School students. BHS values our partnership with Phillips 66 and looks forward to continuing to strengthen this in the future.
- Borger Middle School NJHS helped with the 5th-grade science carnival!! They helped set up, clean up and not only run the games, but knew their Science like rock stars and helped any students who needed it.
- Crockett Elementary has been collecting Coke tabs for the Ronald McDonald House all year. Mrs. Ortega's homeroom collected the most with 81 lbs and will receive a snow cone party for their hard work!!! Crockett has collected a total of 236 lbs. Please continue to save coke tabs over the summer for next year!!

- Borger High School held the Academic Awards Assembly on May 2 to recognize the Top 10 scholars in each grade. Seniors also invited a special guest teacher who has influenced their high school careers. Janet Tabor, Human Resources Manager at Chevron Phillips Chemical Company LP was the guest speaker. The top 10 students are featured left to right in the photos.

- Borger High School Announced the Ambassadors for the 2022-2023 School Year! These students were nominated by administrators, teachers, and friends for their kindness, leadership, and school spirit! The ambassador program at Borger High School was created 6 years ago to welcome new students to BHS. The ambassadors have made this program a huge success. Part of their job is to welcome new students to BHS, give them a school tour, walk them through their schedules, introduce them to their teachers, take them to lunch, and ensure that all new students have a built-in network of friends. Congratulations to Jairam Allen, Alyssa Iglesias, Nelia Barrera, Tre Dickson, Alyssa Camel, Emersyn Ashcroft, Barrett Watkins, Ryan Yankee, Makenzie Beckham, Shaley Weden, Kevin Bair, Dylan McMurtry, Quaid Trolinger, Matthew Bair, Brealey Medina-Richburg, Isaiah Moreno, Hadley Young, Sophia Morales, Kaden Yarbrough, Arianna Hipolito, David Gutierrez, Abigail Cole, Ruler Moreno, Jessica Lopez, George Goldston, Caden Marquez, Aaron Elliot, and Karly Martinez.
- Mrs. Purcell would like to brag on Borger Intermediate scholars. "BIS students learned about the character trait of caring and ways to show that you care in March. At the end of March, Jacksboro Elementary was hit by a tornado and our students decided to jump to action and show that BIS cares. They had penny wars, 5th against 6th grade, and a month of hat day Fridays. BMS students even donated hat day money to help. We are excited to announce BIS was able to send \$600 to help replace books or whatever is needed after the tornado, and all these funds were raised by our caring students! I am so proud of them." Great job BIS!!
- Borger High School would like to introduce the 2022-2023 Cheerleading Squad! Congratulations to each of you! We appreciate your dedication to supporting the Borger Bulldogs and look forward to your leadership. Pictured below top left: Jordyn Mills, Kendall Downs, Hannah Garcia
