

### **Borger ISD's Student Health Advisory Council Annual Report**

Per BDF (LEGAL), the Student Health Advisory Council (SHAC) shall submit to the board an annual, written report that addresses:

1. Any SHAC recommendation concerning the district's health education curriculum and instruction or related matters that the SHAC has not previously submitted to the board;
2. Any suggested modification to a SHAC recommendation previously submitted to the board;
3. A detailed explanation of the SHAC's activities during the period between the date of the current report and the date of the last prior written report; and
4. Any recommendations made by the physical activity and fitness planning subcommittee.

**2021-2022 School Year Report**

*The vision of Borger Independent School District's Student Health Advisory Council is to promote health and wellness in our community.*

1. The SHAC recommends that Borger ISD utilize the state adopted health curriculum of Quaver ED for kindergarten to 5th grade and curriculum by Goodheart-Willcox in 6th grade to Health 2 to address the Human Sexuality TEKS. Additionally, SHAC recommends that we continue with the appropriate videos selected by the school nurses and campus principals in 4th and 5th grade to address the Human Sexuality TEKS in those grade levels. Students will not be exposed any material related to the human sexuality TEKS unless a parent has decided to Opt-In to the instruction for their child per Board policy and HB 1525 of the 87th Legislative Session.
2. There are no modifications to the SHAC recommendations, at this time.
3. During the 2021-2022 School Year, the SHAC committee met a total of 5 times as a council and had 7 additional subcommittee meetings. Below is a description of what was explained at each gathering:

4. At the Physical Activity and Fitness Planning Committee Meeting, SHAC members discussed having family fun runs on Friday nights or weekends to encourage families to stay active and spend time together. In the 22-23 school year, the SHAC would like to partner with youth sports for them to set up booths at the fun run to promote sports and physical activity outside of the home. SHAC would like to get donations to raffle off to families that attend to encourage participation in the fun runs.
