

# Tell me something good!

- Borger High School junior Berklei Lewter placed fifth in a class of 37 with her hog at the State Fair of Texas Livestock Show in Dallas. Berklei serves as an officer for the Borger FFA. She also is a leader in the BHS school spirit group, the Dawg Pound. Academically, Berklei is taking three college classes this semester and will be inducted into the National Honor Society later this month. She is a leader! Borger High School Ag Teacher, Charles Rosebrugh, states that Berklei's success is no accident as she works hard and takes pride in all that she does.
- Paul Belton Elementary observed Community Helper Week this month. The Borger police and fire departments visited the campus and our Little Bulldogs were so excited to get to meet them and explore their vehicles!! Students also toured Food King grocery store and each got a pumpkin of their very own.
- Landry Farmer, 2022 Borger High School graduate, visited his alma mater. He led the morning pledges and visited with students about his experience so far in the Air Force. Landry graduated in May and went to basic training at Lackland Air Force Base in San Antonio in June. After graduating from basic training, Landry attended tech school in Virginia and will now be stationed in California. Borger High School is a proud supporter of the military and has for many years welcomed military graduates to lead the school in the morning pledges. We are proud of you, Landry! Landry is the son of our own Mendy Farmer at Gateway Elementary.
- First-graders had a great time at Leonard Farms going through the corn maze to find clues, playing corn hole, "roping steers", learning about animals, going on a hay ride, and visiting the pumpkin patch. Each student got to pick their own pumpkin to bring home!
- At the October Board of Trustees meeting, the Florer Family presented a generous donation for the Gateway/Crockett Battle of the Books and books in print in memory of loved ones.
- This month's district and Phillips 66 ST Math Teacher of the Month is Mrs. Marca. Her students have solved over 4,000 puzzles this year. We want to thank Phillips 66 for their partnership with ST Math. Congratulations, Mrs. Marca!
- The school-wide theme at Crockett Elementary is leadership and students exhibit leadership qualities every day!! During recess, staff observed a group of our leaders take the initiative and pick up trash around the school without being asked. Lily Tatum began cleaning up, and the rest of the group joined in. This act proves that they know how to be leaders, how to make decisions, how to lead by example for their peers, and how much they care for their school. Crockett and Borger ISD are proud of you and would like to say thanks to Lillian Young, Niyah Figer, Jasper Speed, Adelynn Arreguin-Martinez, Jayln Ralls, Tenlee Stegall, and Lily Tatum.

- On Saturday, October 15<sup>th</sup>, the Mighty Bulldog Band of Borger High represented Borger ISD and Borger High School at the UIL Region 1 Marching Band Contest. This contest was held at Dick Bivins Stadium in Amarillo. The Mighty Bulldog Marching Band performed their show for a panel of three judges. The band received a rating of Division 2, or Excellent. All three judges were impressed with the show's design, but intonation and marching fundamentals prevented the band from receiving the highest rating. Kevin Kuehler, director of the band, said, "This has been one of my favorite bands to work with in my time in Borger. They're punctual, hard workers, and smart." Kuehler also noted that for the first time in his career, every member of the band was eligible for marching contest. The band will continue to support the Borger Bulldog varsity football team at their remaining games, then prepare for their annual Christmas concert. Members of the band also have All-Region band auditions, solo and ensemble, concert, and sight-reading contests, as well as various spring concerts and performances, to prepare for. The band would like to thank the administration of Borger ISD, Borger High School, the band boosters and their parents, and the community of Borger for the support that has been shown for them this marching season.
- Borger High School choir competed at All-Region on Tuesday in Canyon. Seven students out of the 13 who competed advanced to the next round of the state competition. Congratulations to all the students who competed and to those who advanced!! Good luck at the next round!! Borger High School choir director is Tayten Martin.

- Chevron Phillips donated \$6,300.00 to Borger High School for dual credit scholarships. Borger High School currently has 264 students taking 630 college classes, which is a record number for BHS! These scholarships help students pursue their dreams. We truly appreciate Chevron Phillips Chemical believing in us and our mission to ensure that every student has an opportunity to go to college to pursue a traditional college degree or a workforce certification!
- Second-graders and 10 Kindergarteners attended the Amarillo Symphony production of Peter and the Wolf. Kindergarten students got to earn tickets during the month of October for great classroom behavior and attendance. Mrs. Hertel drew 10 names and took those students to the Amarillo Symphony. Students heard a narration of the book while music played and dancers acted out the story.
- The Borger High School costume slow-pitch tournament was a great success! Five teams participated along with a great crowd of fans throughout the day. The program raised over \$1,100! Borger High School Softball would like to thank everyone who participated, the community members who came out and supported them, along with Pak-A-Sak for donating prizes.
